KR Co., Ltd.
www.krpkg.co.kr

KR Co.,Ltd was established in 1996 based on technology and expertise in mold design.

We're high-level cosmetic packaging engineering company, manufacturing high-end cosmetic packaging products. We hold more than 100 patents related to cosmetic packaging technology, and that gives us a technological edge over other competitors. In particular, we possess exclusive technology for products such as shut-off pump, eco-friendly pump, airtight pencil, airtight stick, airtight cushion & compact, and airless compact.
